Invitation

On behalf of the Princess Alexandra Hospital (PAH) and the organising committee, we warmly welcome you to the 59th PAH Health Symposium. To be held from Tuesday 30 July to Friday 2 August, the theme of the 2019 symposium is **Connecting healthcare, better outcomes.**

The way healthcare is delivered is changing. Healthcare and the patient experience are no longer confined to a doctor's office or hospital ward, and traditional see-and-treat models of care – supported by physical structures and internal care delivery – cannot service the needs of a rapidly growing and dispersed population.

The 59th PAH Health Symposium will showcase current and emerging research topics, and explore how health services are embracing change and working with patients, providers, and health workers to build a better-connected health system underpinned by collaborative research, innovative service models, health partnerships and technology.

As the flagship educational event for the PAH – one of Australia’s leading hospitals – and Metro South Health (MSH), the symposium promises to deliver a content-rich program featuring:

- expert clinicians and researchers presenting leading advances in speciality areas
- ‘hot topic’ panel discussions, and
- the popular Research Excellence Awards recognising next generation discoveries to influence the clinical space.

This year, we are excited to celebrate 50 years since the first kidney transplant was performed at PAH. The surgical session will explore the history of transplant services at PAH and how rapidly evolving technology will impact this service in the future.

There will be numerous opportunities to connect with leading clinicians and researchers from PAH, Metro South Hospital and Health Service, the Translational Research Institute, universities, and other health and research facilities throughout the event.

We would be delighted to work with you in 2019 to provide our attendees with an unparalleled opportunity to access leading education, research and resources—enabling them to continue delivering excellence in healthcare.

Sincerely

Dr Michael Cleary
Executive Director
PAH-QEII Health Network

Mr Kieran Kinsella
Executive Director, Metro South Addiction and Mental Health Services

Ms Bernadette Thomson
Nursing Director – Education, Princess Alexandra Hospital

Dr Mark Pinkham
Radiation Oncologist, Princess Alexandra Hospital
Princess Alexandra Hospital (PAH) is a tertiary healthcare centre, providing care in all major adult specialties, with the exception of obstetrics. PAH is one of Australia’s leading academic and research health centres, providing acute medical, surgical, mental health, cancer, rehabilitation and allied health services.

The PAH is nationally recognised for its expertise in trauma management and is a major transplantation centre for livers, kidneys, bone, cartilage, and corneas.

Health research
PAH is a major medical research precinct, hosting Australia’s most advanced medical research facility, the Translational Research Institute (TRI) as well as a new Clinical Research Facility for the discoveries made at TRI to be trialled in a safe clinical environment.

We are one of eight partners in Queensland’s first academic health sciences centre, Brisbane Diamantina Health Partners.
OUR PURPOSE
To deliver high-quality healthcare through the most efficient and innovative use of available resources, using planning and evidence-based strategies.
Previously known as ‘PA Week’ among staff, the PAH Health Symposium continues to be the flagship event of Metro South Health’s (MSH) annual education, engagement and training calendar. Celebrating its 59th year in 2019, it is Queensland’s longest running health-related conference.

The symposium encourages clinicians from PAH and all MSH facilities to proudly showcase their work, and provides valuable networking opportunities with colleagues, staff and industry representatives. The symposium provides a platform for national and international experts, from a variety of clinical professions, to present advancements in research and clinical practice to staff.

The symposium fosters a culture of collaborative and innovative research, promotes quality care for patients, and improves staff culture, engagement and training.

“The 2019 PAH Health Symposium will enable you to connect your brand with leading research undertaken at the Princess Alexandra Hospital and throughout Metro South Health, provide a platform to raise your company profile in association with key clinical areas, and stimulate discussion of the current trends and challenges for the commercialisation of research.”

Professor Michael Stowasser, Chair, PAH Health Symposium 2018

---

**2018 in review**

2018 was another exciting year of growth for the PAH Health Symposium.

**2019 fast facts**

Tuesday 30 July to Friday 2 August 2019
Russell Strong Auditorium, Princess Alexandra Hospital, Brisbane

4 days | 19 sessions | more than 80 speakers
Clinicians, researchers and subject-matter experts

More than 1,500 delegates are anticipated to attend
Multidisciplinary program addressing: addiction and mental health, cancer survivorship, domestic and family violence, falls, futuristic medicine, health innovations, immunology, microbiome, nursing, pharmacogenomics, pharmacy, radiology, transplant, trauma and more!

CPD points^  
Registration opens Friday 31 May 2019  

^Attendees are encouraged to consider the symposium program and how it can be used for their CPD.
### Keynote speaker

**Dr James (Jim) Withers**

Assistant Clinical Professor of Medicine, University of Pittsburgh

Department of Internal Medicine, University of Pittsburgh Medical Center Mercy Hospital

James Withers, MD FACP, is an Assistant Clinical Professor of Medicine at the University of Pittsburgh and member of the teaching faculty in the Department of Internal Medicine at the University of Pittsburgh Medical Center Mercy Hospital.

In 1992, Dr Withers began to dress as a homeless person and make “house calls” under the bridges and along the river banks of Pittsburgh in the company of a formerly homeless man. This led to the founding of Operation Safety Net (OSN), one of the first full time, comprehensive medical services of its’ kind for the unsheltered homeless. Medical care is delivered directly on the streets, along the river banks and in the abandoned buildings of Pittsburgh, with full social service and housing follow-up. Through extensive national and global travel, his “street medicine” model spread as both a delivery model and unique educational resource.

In 2005, Dr Withers established the annual International Street Medicine Symposium (with current partners on six continents) to foster collaboration in the care of those sleeping on the streets. In 2009, Dr Withers created the Street Medicine Institute to focus on helping communities establish Street Medicine programs, improve existing practice and promote the “classroom of the streets” model in medical education. There are now over 30 medical schools with associated street medicine programs. In July 2019, Dr Withers will launch the first Street Medicine Fellowship at UPMC Mercy Hospital. Dr Withers enjoys numerous volunteer activities, Board memberships, and medical teaching appointments. He is most proud of the many students who have gone on to careers in service-oriented medicine.

*Program is subject to change. Please check the website for the most up-to-date information and version.*
Benefits of sponsoring and exhibiting

- Reach more than 7,277 PAH staff.
- Network with leading clinicians and researchers during catering breaks, sessions and at social events.
- Connect your brand with research undertaken at PAH, MSH and TRI.
- Raise your company profile in association with key clinical areas.
- Develop opportunities for the education of clinicians associated with your brand and products.
- Launch a new product or service.
- Discuss the current trends and challenges for commercialisation of research and how your organisation can be involved.
- MSH-wide advertising and engagement opportunities for 12 months.
- Receive a list of attendees for future marketing.

Promotional platform

An extensive promotional campaign will reach a targeted audience via digital and printed avenues, including:

- promotion to PAH staff via internal communications including the weekly newsletter, intranet, posters, and in-house digital screens.
- promotion to MSH staff via established email marketing channels
- promotion to Queensland Health staff via established email marketing channels
- promotion to TRI staff via internal communications including posters and in-house digital screens
- promotion to external health and research facilities
- promotion to external universities
- promotion via social media campaigns—reaching more than 13,000 followers
- promotion via other events.

Sponsors will be recognised by logo association throughout the promotional campaign.

$1,500 Friday (only)
How to apply

The PAH Health Symposium Organising Committee and Event Manager welcomes all enquiries from prospective sponsors and/or to discuss a tailored packaged.

**STEP 1**
Agree in principle to participate and submit the online ‘application to sponsor’ form by Friday 12 July 2019. While applications can be made after this date, some entitlements may cannot be guaranteed due to print deadlines.

**STEP 2**
Formal sponsorship agreement and a tax invoice issued.

**STEP 3**
Payment is required within 14 days of invoice to confirm your sponsorship.

For more information on sponsorship opportunities and packages, please contact:

Adele Cumerford
Event and Sponsorship Manager
PAH Health Symposium 2019
T: 07 3176 3259
E: adele.cumerford@health.qld.gov.au
W: www.pahsymposium.com.au

Submit online application to sponsor form
Terms and conditions of sponsorship

The following terms and conditions apply to your application to sponsor and/or exhibitor at the 59th PAH Health Symposium. These terms and conditions are in addition to the Queensland Government incoming sponsorship agreement.

Things you need to know

- You as the sponsoring/exhibiting organisation accept these terms and conditions when completing the online application forum.
- The Princess Alexandra Hospital and the PAH Health Symposium Organising Committee do not accept responsibility for any errors, omissions or changes.
- Details and timings may change without notice. Please refer to the website for the latest information on the symposium.

Financial facts

- All prices are quoted in Australian Dollars and include 10 per cent GST.
- Phone or unpaid bookings will not be accepted.
- We will issue a tax invoice which is payable within 14 days of the invoice date.
- You will not receive any sponsorship or exhibition entitlements, including allocation of booth location, until all monies have been paid.
- If you pay by electronic funds transfer or an international cheque you agree to pay any bank charges and must include these in the amount you transfer.
- If you pay via credit card, a merchant fee may be charged.

If you need to cancel

- You must notify us in writing if you need to cancel.
- Cancellations made before Friday 7 June 2019 will be refunded less 50 per cent of the total purchase price.
- Cancellations made after this date will not be refunded.
- You agree to pay any bank charges and must include these in the amount you transfer.
- Details and timings may change without notice. Please refer to the website for the latest information on the symposium.

In the unlikely case that the event cancels

- The extent of refunds will be a matter for the host organisation (the underwriter) to decide.

You and your staff—onsite

- Your application to sponsor or exhibit does not constitute an attendee registration. You will need to do that separately via the relevant registration form.
- All sponsor/exhibitor staff attending the symposium must register.

Print entitlements

- Logos will be reproduced in the event colours, full colour, or mono, at our discretion.
- Logos must be minimum 300 DPI at 100 per cent in JPEG/PNG (preferred for website) and AI/EPS/PDF (preferred for print).
- Advertisements are to be supplied by the sponsor by Friday 21 June 2019 to meet our publication requirements and print deadlines. Advertisements supplied after this date cannot be guaranteed to be included in the relevant printed publication/s.
- No print or web recognition will be given unless payment terms have been met.

Sponsor notes

- A full description of sponsor benefits and entitlements will be provided when the formal acknowledgement is issued.
- Sponsorship of speakers and sessions are subject to additional terms and conditions.
- Sponsors of the PAH Health Symposium must ensure all entitlements comply with their governing Code of Conduct.
- Sponsorship of the PAH Health Symposium does not constitute Princess Alexandra Hospital or Metro South Health endorsement of your products and/or services.
- Sponsorship of the PAH Health Symposium will not influence any tenders submitted to Princess Alexandra Hospital or Metro South Health.

Exhibitor notes

- You may not assign, share, sub-let, or grant licences for the whole or part of the booth without our prior approval.
- We reserve the right to direct you to remove any display items we deem as unacceptable.
- You must conduct business only from within the confines of your booth. You may not tout, or place any material, outside your booth/space causing obstruction of the aisles.
- You will be responsible for any reasonable costs of repairing the booth or venue premises should you paint, mark or damage any fixtures or fabric.
- Food, beverage or prohibited items are not permitted at the event unless prior arrangements are made with us.
- Any supplier you use onsite must conform to the venue’s OH&S, insurance and other regulations.
- You are solely responsible for any physical loss or damage to your own property.
- You must hold a current public liability insurance policy for a minimum of $10,000,000. Please forward the name of your insurer, your policy number, the insured amount and its renewal date to us by Friday 12 July 2019. Entry to the venue may be denied if you have not provided this information.

Privacy statement

- Your name and contact information, including electronic address, may be used by parties directly related to the event such as the PAH Health Symposium Organising Committee and approved stakeholders, for relevant purposes such as promotion, networking, and administration of this, and future events of this type. If you do not consent, please advise us.
- In addition, your name, organisation, state of origin and email address may be published on the delegate list which is available to delegates, exhibitors and sponsors at the event. If you do not wish your details to be included in this list, please contact us.
