

Embracing diversity in healthcare

Princess Alexandra Hospital Health Symposium
24–27 August 2021

Research Excellence Awards

RECOGNISING NEXT GENERATION DISCOVERIES TO INFLUENCE THE CLINICAL SPACE

The prestigious Research Excellence Awards will return to the 60th Princess Alexandra Hospital (PAH) Health Symposium.

Awarding the best clinical and laboratory/basic science research, this year two additional **Collaborative Research*** poster categories will recognise MSH partnerships producing high impact, innovative research.

Student researchers, early-career researchers, health professionals engaged in research in addition to their clinical practice and non-clinician researchers from PAH, Metro South Health, TRI and other Queensland research institutes / universities are encouraged to submit an abstract.

**CALL FOR
ABSTRACTS!**

Key dates

- 29 March Abstract submission opens
- 28 May Abstract submission deadline
